- Computer Center $500,000
- Group Study (3 Available) $125,000
- Study Room (2 Available) $75,000
- Enrollment and Recruitment Center $500,000
In 1900, Montana Tech opened its doors to 39 students. Today enrollment stands at over 2,800—and as our student body grows, so must our campus. We realize that along with larger enrollment, the interests and wants of our student body have also evolved, and we aim to meet those needs.

The Montana Tech Student Success and Living Learning Center will be a place for students to learn and study, to relax and play. When completed, Montana Tech’s SSC will become the heart of our campus. The 100,000-square-foot facility will complete the student life experience on campus, providing an inspiring environment for students to live, dine, socialize, cultivate valuable leadership skills, and forge lifelong friendships. The first two floors of the facility will also provide a much-needed boost to Montana Tech’s residential capacity, adding 166 beds and bringing the campus’ total bed count to 455.

The Student Success and Living Learning Center is designed to assist Montana Tech in recruiting, retaining, educating, and graduating more problem-solvers, innovators, healers, trailblazers, and leaders. We can and will offer more opportunities for students to achieve their educational dreams and move forward on the path to their own extraordinary futures.

We are excited for the next step in transforming Montana Tech’s campus and welcome the opportunity to share how you can be a part of that transformation as well.
PROJECT UPDATE AND SPECIAL OPPORTUNITY

Exciting news here on campus: we’ve broken ground on the Student Success and Living Learning Center.

The centerpiece of our comprehensive campaign, Ordinary Beginnings, Extraordinary Lives, this capital project will be completed in early 2019. Now we’re asking you to play an important part in bringing the funding for this project to the finish line.

Donors who support the project at the $10,000, $25,000, or $50,000 levels have a special opportunity to put their name on a Partners in Student Success donor wall within the Student Success Center. This recognition piece will be on the 3rd floor of the building in the heart of the student center, covering a wall 18 feet long and 7 high—prominently and permanently recognizing donors for their important role in making the Student Success Center a reality.

Make your pledge today. Pledges can be fulfilled at your discretion through the end of 2019. Remember that corporate matches will count toward your pledge fulfillment. Gifts can be made with cash, stock, or a combination of both.

Show off your Oredigger pride and your support for future generations of Montana Tech students by investing in Montana Tech’s largest capital project in our history. Make your mark on our campus.

Go Diggers!
